### **EXAMINER'S AMENDMENT**

1. A pre-appeal brief request for review was received on 17 September 2007. As noted in the Notice of Panel Decision mailed 14 November 2007, the rejections were withdrawn. Upon further search and consideration, Claims 1-12, 15-40, and 42-68, being the remaining pending claims, are allowed. An Examiner's amendment is provided below to correct informalities remaining in the claims but is not considered to affect the scope of the claims.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
3. The application has been amended as follows:

Art Unit: 2137

**IN THE CLAIMS:**

Please **REPLACE** Claims 8, 23, 43, and 45 with the following amended claims:

8. A wireless communication apparatus according to ~~claims~~ claim 5 wherein the signature is stored on the separate unit.

23. A memory card for establishing a secure connection between a wireless communication apparatus and a data communication apparatus based on a wireless application protocol and comprising contact means for cooperation with the wireless communication apparatus, the memory card comprising:

a memory ~~for storing~~ that stores a master secret code associated with the data communication apparatus and having been generated in response to a request from the wireless communication apparatus to provide such code for utilization of the master secret code during communication with the data communication apparatus in order to re-establish a secure connection.

43. A memory card according to claim 16, ~~[[is]]~~ provided on a smart card.

45. A system according to claim 20, wherein the memory means is a smart card.

***Allowable Subject Matter***

4. Claims 1-12, 15-40, and 42-68 are allowed.
5. The following is an examiner's statement of reasons for allowance: The record of the prosecution of the present application as a whole (see especially the pre-appeal request for review received 17 September 2007) makes clear the reasons for allowance, and therefore a separate statement of reasons for allowance is not necessary. See 37 CFR 1.104(e).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
  - a. Immonen, US Patent 6931528, issued from a national stage application of international application WO99/25093, which was cited by Applicant on an earlier information disclosure statement and has the same named inventor.
  - b. Little et al, US Patent Application Publication 2005/0232428, discloses a system that generates a master key after receiving a public key from a user.
